

The most exciting thing I have to tell you about this month was previewed in our last issue! YES! BOBBY WILL HAVE HIS OWN SERIES NEXT SEASON ON TV! That's right, but what's even more exciting is that you'll get a preview of it on the very last "Partridge Family Show" of this season! The show was filmed in January with BOBBY as the guest star on "Partridge Family." He played a songwriter and that episode will spin off into a whole series for BOBBY, which will be seen every Friday night after "The Partridge Family."

The series has been planned and paid for by Screen Gems, who was the producer of "Here Come The Brides." I'm sorry to say we don't have an exact air date for the episode, but you can watch your local listings closely. What I can tell you is that it's

David & Tiger Beat's Kenny Lieu.

I don't want to tell you too, too much about their super vacation because you'll be hearing ALL about it in the next issue of TIGER BEAT. SAM'S exclusive story "Living With David" will be a day-by-day diary of their week's vacation. But even better news is that DAVID was kind enough to invite TIGER BEAT'S official photographer KENNY LIEU along on his trip and you'll see all the exclusive photos right here in TIGER BEAT in the April issue. But there will be other exciting stories and photos from the trip in our sister publications—FaVE, TIGER BEAT Spectacular and TIGER BEAT'S Official Partridge Family Magazine. So, if you really care, there'll be lots and lots to read about the most exciting vacation of DAVID'S life!

One final, but touching preview story about the vacation—DAVID and SAM were scheduled to leave the island of Maui in time to catch an afternoon flight out of Honolulu for Los Angeles on Christmas Eve so they would be home in time for Christmas.

Now, some almost-as-exciting news about DAVID. The week before Christmas, he and his roommate SAM took off (in the pouring Hollywood rain, no less!) for Hawaii for sunshine, surfing and scuba diving. They had just finished their final diving lesson the week before and they couldn't wait to have a look at the cool, clear waters of Maui. Well, their first day on the island they were both besieged by fans and had to change hotels. But that didn't help and though they were in constant demand by the fans, DAVID took it good-naturedly and spent a great deal of time with them.

one exciting show, I mean, how can it help but be exciting when you're teaming the two top stars in the business: BOBBY SHERMAN and DAVID CASSIDY!

Bobby's excited about his new show!

Well, unfortunately, they missed their flight at the Maui airport, and had to wait there several hours for another, then when they got to Honolulu, they had to wait seven hours for a flight home. Worried that their dogs wouldn't get fed, since they were expected home so much sooner, DAVID placed a long distance call to a friend and asked him to go to his house and see that the dogs were fed! As it turned out, the dogs were taken care of, but DAVID and SAM arrived back in Los Angeles on Christmas morning! It made it a long day, but the excitement of the season got to them and though they were tired, they still had time to have a groovy Christmas with their families!
