

EDITOR'S INSIDE STORY

As the editor of Tiger Beat's Official Partridge Family Magazine I spend at least a couple of days every week at Columbia Ranch where "The Partridge Family" is filmed!

In the past few months I've discovered one especially wonderful thing — working with the stars of "The Partridge Family" isn't really like working at all! It's more like getting together with best friends to rap about serious, funny, exciting and beautiful things!

David, Shirley and the other Partridge stars are always more than happy to help out with their official magazine because they know the facts will be reported truthfully and accurately!

Many exciting stories and facts await you in this issue and I hope you'll find the answers to some of the many questions you've been asking about all the Partridge stars!

On page 3 you can find out all about the real David Cassidy as he answers some very personal questions. You'll also find David's special story to you on page 20 and on page 67 you can grow-up right along with him!

After you've visited Danny Bonaduce at home, page 6, sit back with his mom, Betty, as she tells you all about her son on page 26! You'll also find a great color pin-up of Danny on page 27!

I also spent a delightful afternoon talking with Shirley Jones and on pages 8 and 9 you'll find the first part of our 2 part interview! Shirley talked about lots of things including her children and David, so I know you'll enjoy reading it!

I think one of the most exciting features we've got for you in this issue is an exclusive interview with Wes Farrell, the music producer for "The Partridge Family." His comments on making music with David are on page 28!

The Partridge stars are glad to get the opportunity to answer questions for you here in their own magazine because they often don't have time to answer all their fan mail personally! Turn to pages 11-18 for their own handwritten answers to some very interesting questions!

For all of you who have been asking Susan Dey for advice on modeling and doing television commercials — she's written an entire story to help you out! It's on page 36! Dave Madden's another Partridge with the urge to write and on page 48 he tells you all about his co-stars!

Do Suzanne and Jeremy like school? What are their favorite subjects? Find out for yourself as their school teacher spills the fax on page 58!

Many more super-exciting features are in store for you in this issue of Tiger Beat's Official Partridge Family Magazine! Like a whole section on rumors and facts, Partridge secrets and music lyrics, so you can sing along with David!

And don't forget — here's where you'll find exclusive new pix of all the Partridges, fabulous color photos and pin-ups and a chance to join the new groovy Partridge Family Fan Club!

Don't forget, you can find other great stories about the Partridges in Tiger Beat and FaVE magazines as well! They're on sale at your local newsstand now!

Happy reading,

Sharon Lee
