

WHO'S WHO? WHO'S

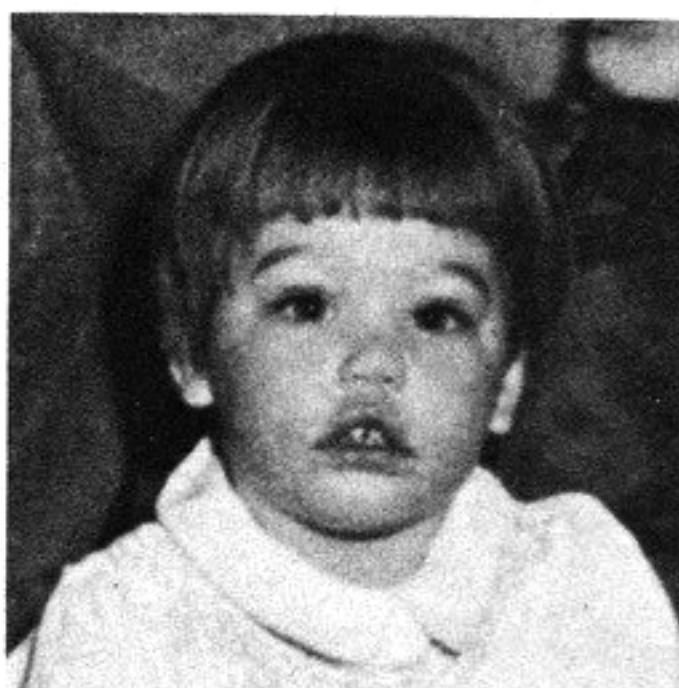

How much do you know about babies — especially Partridge babies? Here are the stars of "The Partridge Family" as they looked a number of years ago! Can you tell who's who? Mark the letters A, B, C, D, E, or F on the line beneath the pictures on the opposite page. There's a baby picture to match each star! After you've finished, turn to page 65 and see how much you really do know about babies!
