

favorite memories is Thanksgiving at my grandmother's house. She was a fabulous cook, which was part of it, but also it was nice having the whole family together."

DIG THE LONGER SKIRTS GIRLS ARE WEARING?

"I like flowing clothes, but I must admit that I think a girl's legs are one of her most attractive features so it's a shame to hide them! What I *really* hate though are those clunky shoes!"

CONSIDER HIMSELF A DISCIPLINED PERSON?

"As an actor, yes, because if I wasn't I wouldn't be working! I try to be disciplined in my personal life too. One thing I managed to do that I'm very proud of was giving up smoking! I fall short in other areas, but I'm always working on them!"

FALL IN LOVE WITH AN ACTRESS?

"It's hard to say whether I would or not, but I will say that I hope not! I think for the sake of the children it's better to have just one career in the family! If the mother is an actress too, it is difficult."

SAY MARRIAGE IS COMING UP IN THE NEAR FUTURE?

"No, I'm certain I won't be married for quite a while. I still haven't fallen in love yet! But when I do get married, I promise I won't keep it a secret!"

EVER GET INTO A BAD MOOD?

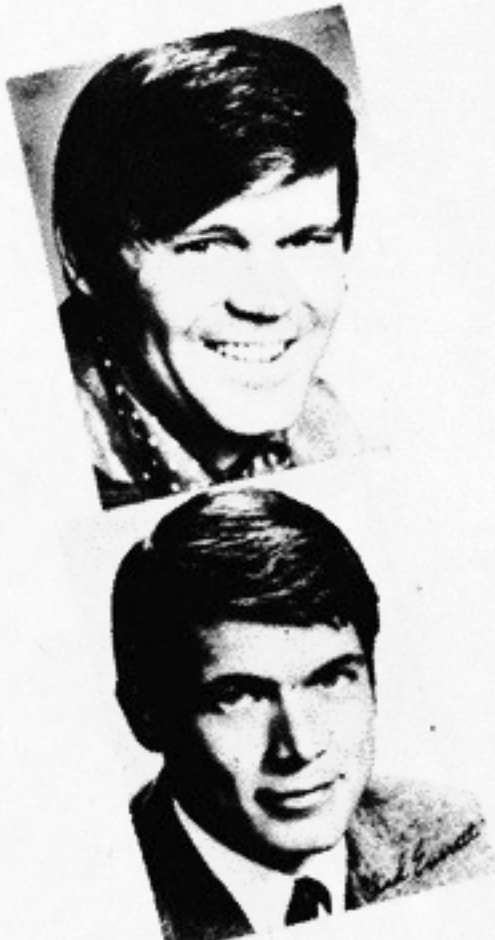

"Sure, although I'm generally pretty happy. I do get into a mood sometimes. There are certain things in life that I find hard to cope with, and some things rub me the wrong way."

DO SOMETHING JUST BECAUSE IT WAS "IN?"

"No, as a matter of fact that would be just what turns me off! One example I can think of is the surfing I did when I was in high school. I really liked it, but it became such an 'in' thing that I got put down by the crowd if I didn't surf every day! Instead of it just being a thing I enjoyed doing, it became clique-ish, so I quit. I think it started a pattern for me, because ever since I've rebelled against doing things just because they were the fad."
