

# THE PARTRIDGE FAMILY SONGBOOK!

Every Friday night on "The Partridge Family" you've seen David, Shirley and the other Partridges sing a brand new exciting song! And every night you've let David's magical voice on the fabulous Partridge Family Albums sing you to sleep! Now, you can join in on all the fun and happiness by singing right along with David as Tiger Beat's Official Partridge Family Magazine presents the Partridge Family songbook!

## BANDALA

Song By Wes Farrell & E. Singleton

My baby  
Bandalala, my love  
I need ya  
Bandalala, my love  
I know I want ya  
Bandalala, hold on  
I'm comin' for ya  
Bandalala, hold on  
Be there to get ya

I rise with the sun and start my existence  
With dreams of a day when we'll move away  
Far from the hard times poor town's been givin'  
And move on uptown to a better way of livin'

Ou ou  
Ou ou  
Ou ou ou ou

She's not a beauty and she don't wear fine clothes  
Her heart and soul is all I'm livin' for

Hold on  
Bandalala, my love  
You know I need ya  
Bandalala, my love

I want ya  
Bandalala, hold on  
I'm comin' for ya  
Bandalala, hold on  
Be there to get ya

I'll be the fella to save his Cinderella  
Turnin' her dream world into real life  
One day soon I'm gonna carry  
Bandalala away and make her my wife

We're gonna make it baby  
Bandalala, my love  
Be there to get ya  
Bandalala, hold on  
I'm comin' for ya  
Bandalala, my love  
You know I want ya  
Bandalala, hold on  
You know I need ya  
Bandalala, my love  
You know I want ya  
Bandalala, my love  
Hey, my baby  
You know I want ya  
Bandalala, my love
