

I'LL MEET YOU HALFWAY

Song By Wes Farrell and Gerry Goffin

Will there come a day
When you and I can say
We can finally see each other
Will there come a time
When we can find the time
To reach out for one another

We've been travelin' in circles
Such a long long time
Tryin to say hello
And we can just let it ride
But you're someone I'd like
Like to get to know oh
I'll meet you halfway

That's better than no way
There must be some way
To get it together

Ba da da da
And if there's some way
I know that someday
We just might work
It out forever

TO BE LOVERS

Song By Mark Charron

Like a summer wind
In the fall
Like a color book
Without a paper doll

This is what it's like
To be lovers
To be lovers
When you're not in love

Like a drift of snow
Falling in June
Like a November night
Without an autumn moon

This is what it's like
To be lovers
To be lovers
When you're not in love

A sad oak tree
That's branches will not grow
A beautiful valley
Filled with sand

It's like a mockingbird
With no song
Try to imagine the sun
Sleeping through dawn

This is what it's like
To be lovers
To be lovers
When you're not in love

This is what it's like
To be lovers
To be lovers
When you're not in love

YOU ARE ALWAYS ON MY MIND

Song By Tony Romeo

Wake up in the mornin' feelin' alright
'til I recall you've gone from my life
And I stare like a dummy against the wall
Since you've been away oh yes
I am up tight

It's a fact of my life
I guess I'll try to fight
I could be so good for you if I had that right
If I had that right
You are always on my mind

Have I gotta go thru this old life
Day after day and find you there on my mind

I don't understand you at all but I don't care
Still a lotta good love in our lives for us to share
You might think it's sad but I'm together now
Yeah you laugh huh I know it's true — I'm much better now
You oughta come on by and see for yourself
Just how I'm much better now

You are always on my mind
Have I gotta go thru this ol' life
Day after day and find you there on my mind

Repeat chorus and fade in

POINT ME

Song By Tony Romeo

Window walkin' downtown feelin' mighty good
And I noticed from the corner how all alone she stood
Underneath the lamplight an angel in disguise
Lonely little runaway with teardrops in her eyes

Crazy little rag doll her hair was wild and tossed
And I put my arm around her cause I knew that she was lost
She didn't seem to notice that anyone was near
Til suddenly she turned to me and whispered in my ear

Point me in the direction of Albuquerque
I want to go home — and help me get home
Point me in the direction of Albuquerque
I need to get home — need to get home

Showed me a ticket for a Grey-hound bus
Her head was lost in time
She didn't know who or where she was
And anyone that helps me is a real good friend of mine
Real good friend of mine
Point me in the direction of Albuquerque
And help me get home — help me get home

Walked her to the station and kissed away the tears
Knowing I'd remember through all the coming years
Rag doll on the greyhound who waved with all her might
Weeping against the window as the buss rolled out of sight

Point me in the direction of Albuquerque
I want to go home — and help me get home
Point me in the direction of Albuquerque
I need to get home — need to get home

Point me in the direction of Albuquerque
I need to get home — need to get home
