

I'M HERE — YOU'RE HERE

Song By Wes Farrell and Gerry Goffin

I'm here you're here
I don't care where you been before
You're the sweetest thing I ever saw
What could you do — what could you say
To make me wanna go away

I don't know I never wanted anyone more Hey! Hey!
Baby you know if I go it's gonna be a long way home
And a pretty thing like you shouldn't spend her time alone
No shouldn't spend her time alone
And I know that you'll be sorry if I'm gone

Hearts beat — we know what we're sayin'
Don't run away
Eyes meet — why are we playin'
All those games that children play

HEARTBEAT

Song By W. Farrell, Jim Cretecos, Mike Appell

I can feel your heartbeat
And you didn't even say a word
I can feel your heartbeat
But you didn't even say a word

Oh I know pretty woman that your love can be heard

You can feel my heartbeat too
I can tell you're feelin' me
You can feel my heartbeat too
I can see you're feeling me

Oh I know pretty woman that your love can be heard

Ooh — and we'll paint the night
Let it shine in the light of our love
This is the night. Yea this is the night of our love.
I'll treat you like a woman
Love you like a woman
Lord I'll prove it Baby
I'm a man of my word

Love love can't you feel your heartbeat
Love love I can feel your heartbeat
Love love can't you feel your heartbeat
Love love can't you feel my heartbeat
Love love I can feel your heartbeat

Ooh — and we'll paint the night
(and repeat to end)

DOESN'T SOMEBODY WANT TO BE WANTED

Song By Wes Farrell, Jim Cretecos and Mike Appel

I go downtown and roam around
But ev'ry street I walk I find another dead end
I'm on my own but I'm so alone
I need somebody so I won't have to pretend

I know there's someone just waitin' somewhere
I look around for her but she's just not there
Oh and doesn't somebody want to be wanted like me
Awhere are you
Doesn't somebody want to be wanted like me
Just like me

I'm running free but I don't want to be
I couldn't take another day like yesterday
I'm dead on my feet from walking the street
I need somebody to help me find my way
I've got to get out of this town before I do
I'll take a last look around oh

You know I'm no different from anybody else
I start each day and end each night
But it gets awful lonely when you're by yourself
Now where are you and who are you
I want to know

Doesn't somebody want to be wanted like me
Awhere are you
Doesn't somebody want to be wanted like me
Just like me

UMBRELLA MAN

Song By Wes Farrell, Jim Cretecos and Mike Appel

Your world is cloudy
Blue skies turned to gray
Raindrops are fallin'
But why stop and call it a day
There'll be no stormy weather
As long as you're with me
Our love's so together
Girl I love you
You can depend on me

I'll be your umbrella man
Shower you with all my love
Umbrella man shelter you in my lovin' arms
Umbrella man heaven help me child
You know I love you

Love you Love you oh I love you

Too many nights of love have come and gone
That's all behind us girl — I know we can get it on
Well I want your love to be always close at hand
You're heaven sent to me — we can make it girl
I know we can
I'll be your umbrella man
