

**DO DAVID AND SHIRLEY
WORK WELL TOGETHER IN
THE STUDIO?**

They have only worked together a few times. Usually I do them separately. It works out better, because then I don't have to take them off the set at the same time. Our recording procedure is — I put down the background tracks first, then I put down David, then the background singers and that's when I bring Shirley in. She sings with the back-

ground group. If I'm going to add violins and horns, I always do that last. The few times they have worked together, they've been marvelous. Their singing has a tone that is unusual and great!

Be sure to read the second part of Wes Farrell's story in the next exciting issue of Tiger Beat's Official Partridge Family Magazine.
