**CHARACTER**—Have you ever been in a room and someone walks in who gives off these fantastic sparks of energy and enthusiasm, confidence and leadership. Well, then, you've probably met an Aries! Here is a fire sign that makes people move and ideas live! Aries people are impulsive and fearless in their love of life and their need to accomplish.

**LOVE ASPECTS**—Expect the unexpected if you're in love with an Aries! This is an affectionate sentimentalist who falls in and out of love faster than you can say "I do!" Though he needs an anchor for his dreams,

permanence is not one of his favorite words! Encourage your Aries, tell him he's the greatest—but don't try to domesticate him! Those born under the signs of Leo and Sagittarius can best capture the heart of an Aries. (Don't fret if you were born under another sign. The stars and planets influence—but you shape your own destiny!)\*
