**BOBBY AND DAVID HATED EACH OTHER ON SIGHT!... THEY GOT ALONG LIKE LONG-LOST BROTHERS!... NEITHER STAR SPOKE A WORD TO EACH OTHER UNLESS THEY HAD TO!... THEY BECAME THE CLOSEST OF FRIENDS!... DON'T EVER GET THEM IN THE SAME ROOM TOGETHER!...**

The rumors flew thick and fast from the **Partridge** set while **Bobby** was filming his guest-starring role. Even as I sit here writing this, I know there will be stories appearing in some magazines that will spread these rumors, dividing **Bobby** and **David** fans against each other. And those of you who love both of these great guys won't know what to believe, right?

Wrong! And here's why! I promised you last month that FaVE would be right there to see what was happening, and that's exactly where we were! Here's the way it

**THE RUMORS ABOUT THEIR FUEDING** didn't bother **David** and **Bobby** at all. Like the professionals they are, they simply settled down to work. Between scenes, below, they found time for some serious talk.

**really is between David and Bobby: THEY HATED EACH OTHER ON SIGHT:** Not true! Both of them have the greatest respect for each other's acting and singing talents, and they were glad to finally have the chance to say so face to face.

**THEY GOT ALONG LIKE LONG-LOST BROTHERS:** Not true either, the main reason being that although they were together for two solid weeks it was work-work-work almost every minute! There was simply not enough time for the casual conversation that brings people very close!

**NEITHER SPOKE A WORD TO EACH OTHER UNLESS THEY HAD TO:** Just the opposite is true! When things had settled down after the first few days, **David** and **Bobby** were often seen talking together. After all, just think how much they have in common, and naturally they were curious about each other!

**THEY BECAME THE CLOSEST OF FRIENDS:** As I said before, there was hardly enough time for

them to get to know each other, so whether their obvious liking for each other will develop into a deep friendship is anybody's guess!

**DON'T EVER GET THEM IN THE SAME ROOM TOGETHER:** Nonsense! As you can tell by this time, that's just another wild story cooked up by someone who probably would like to believe it's true! Both **Bobby** and **David** have said that they would enjoy working together again!

Here's a little more info that we dug up about the show: Filming lasted two weeks because it ran a full hour instead of the usual half hour. Because a pilot is always top-secret, nobody in the cast got a script until the very last minute before shooting started!

Besides the show that you saw, there was an extra ten minutes filmed. This was done so that the tape could be shown to sponsors who were interested in buying **Bobby's** new series. I'm sure you agree that it's a can't-miss idea!

By the way, I think a guy who is really going to grow on you is **Bobby's** co-star **Wes Stern**! I had a long chat with him when he stopped by FaVE a week ago, and he's just great! "I'm a very shy person!" he confessed. But after we talked for a while, I couldn't agree with him, because he is one of the warmest, most outgoing people I've ever met!

Although **Wes** has starred in two movies, "The First Time" and "3 in the Cellar", his show with **Bobby** would be his first series on television. "Unless," he grinned, "you can count my regular appearance a Stridex commercial I did three years ago that is still running!"

Right now there are only two
