JULY '70: "Right along with working on the show, we began to plan the first Partridge Family album! Here Shirley and I are going over the numbers again and again so they're perfect!"

AUGUST '70: "Bell Records gave a big party to celebrate the release of the record. It was a great night for all of us!"

SEPT. '70: "The big test was yet to come—when the first show was aired on TV! We still didn't know if it was successful!"
