

FAVE FLASHES FAVE FLASHES FAVE FLASHES FAVE FLASHES BY JOHNNY JASON

April showers may bring May flowers but things won't be coming up roses next fall for **DEZI ARNAZ JR.**, fans. The multi-talented young star won't be back with his mom Lucy and sister Lucie when "The Lucy Show" starts filming again. **DESI** has decided to enter the California Institutes of the Arts on a full-time basis and feels he can't devote his time to two things at once. **DESI** celebrated his 18th birthday on January 19th with a big party at Hollywood's Luau restaurant. Among his guests was former girlfriend **PATTY DUKE**... **DARK SHADOWS** fans will be delighted to hear that producer **DAN CURTIS** and **MGM** are thinking about making many sequels to "House of Dark Shadows." The horror flick went over so well it seems like a good investment. We hope they continue to star the real "Dark Shadows" folks like **JON FRID** and **GRAYSON HALL**. Who cares if they died

replace the Sunday 8:00 spot with **CAROL BURNETT**... **GLEN CAMPBELL'S** summer replacement show will star **JERRY REED** and **ANN (Snowbird) MURRAY**... **BOB DYLAN** just got his 8th and 9th gold records. One for his new album "New Morning" and the other for his second album "Freewheeling"... **BILL BIXBY** and **BRANDON CRUZ** turned disc stars when **MGM** records released "Daddy, What if?" which bowed on their recent local pollution special. They're also taping Canadian blurbs for **KELLOGGS**. Besides sharing a television show, **BILL AND BRANDON** are 50/50

heroin for a time... Now that the **BEATLES** have ceased to function as a group (notwithstanding continued reports that they may reunite to record a new album) it seems likely that some of their previously unissued material may soon see the light of day. There are known to be nearly 50 tracks by the **BEATLES** which have never been released and these include a large number of rock n' roll titles which the foursome recorded on the "Let It Be" film set. Among other items in the vault are the **BEATLES'** live concert at
