

the Hollywood Bowl and another album they cut in Italy... If you haven't seen **BOBBY SHERMAN**'s picture gracing your breakfast table yet, hurry on down to your grocery market and buy some Post cereals. Like most people, I turned the box of Raisin Bran I was having for breakfast around to read the back and found myself face to face with your idol. Bobby's latest album has a great song included in it titled "Bubblegum and Braces." It's a

tions have shown they dig it by playing it all around town. The song, by the way, has given the boys their first gold record! Next on the agenda, **DONNY** plans to release a single of his own called "Sweet and Innocent." The **OSMONDS** were voted the most popular group of 1970 by England's "Fabulous" magazine... Just to clear things up, **MICHAEL CHAIN** wrote his song "MISTER (YOU'RE GONNA LOSE HER)" not **JACKIE MILLS** as we once wrote and although **MICHAEL**

CARPENTERS Grammy nominated.

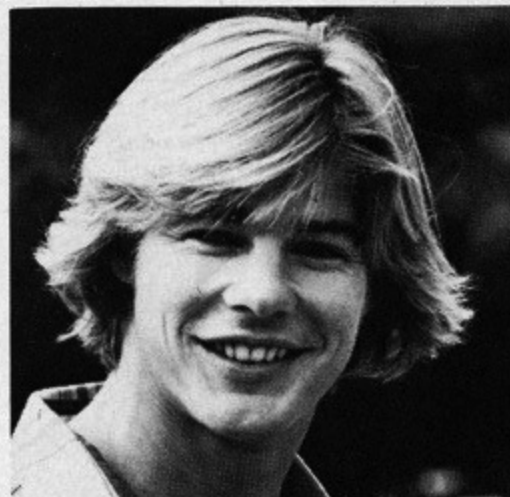

"Mod Squad" has been signed to star in the **AARON SPELLING** production of "The Day They Took the Babies Away"... **JAN-MICHAEL VINCENT** has been signed to guest star in a segment of CBS-TV's "Men at Law" series... When **PETULA CLARK** comes back to do a guest spot on the **BOB HOPE** special she will be talking with ABC execs about another special. But won't she also be talking about a series of her own?... **SALLY FIELD** showed a film clip from her "ABC Movie of the Week," "Maybe I'll Come Home in the Spring" on **DICK CAVETT**'s February 10 show. Sally's perform-

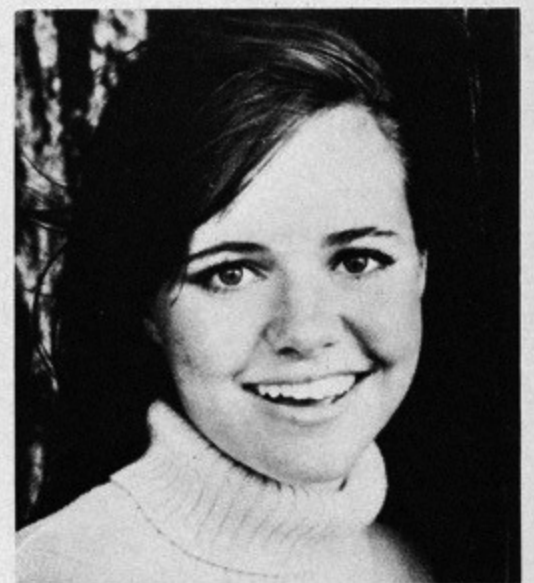

THE OSMOND BROTHERS are proud of their hit record, "One Bad Apple!"

great tune and though it won't be released as a single you can hear it on the album... Despite the many rumors around tinseltown about the relationship between **BOBBY** and **DAVID CASSIDY** and **SHIRLEY JONES** during the filming of Bobby's pilot not being so very hot, **DAVID** had only compliments to hand out concerning **BOBBY**'s abilities... The **OSMOND BROTHERS** have been cut down pretty strongly by lots of folks for their similar-to-the-**JACKSON-5**-sound on their single "One Bad Apple." The boys always had it in them and even the **J-5** have congratulated them on their hit record. Even the soul sta-
BOBBY'S SERIES is almost set! to guest on TV's "Men at Law" series.

appeared on the same concerts with **BOBBY SHERMAN** he never actually backed him up... Now it's "Marcus Welby" medico **JAMES BROLIN** who's being pressed to turn singer by Universal Records... Both **BOBBY SHERMAN** and **DAVID CASSIDY** came out with single records so it'll be fun to see

JAN-MICHAEL VINCENT was signed who makes it to the top first... "Interns" series star **CHRISTOPHER STONE** is willing to make one house call. He's up front to co-star with **ELIZABETH TAYLOR** and **RICHARD BURTON** in the "Hammersmith Is Out" pic to roll in Mexico... **MICHAEL COLE** of

SALLY FIELD'S a great actress!

ance finally proves she can do other things besides Gidget and Flying Nun. It's a shame when people get stereotyped... **DAHANN CARROLL** will make her entrance on the **ANTHONY NEWLEY** special in a bird cage lowered from the ceiling... Sad news of the month was when **FRANK WEBB** told me someone had stolen his Samoyed puppies **MURPHY** and **FAT ALBERT**.
