

A Shopping Spree

Photos by Kenny Lieu

Want to see some of the groovy things I bought while I was on vacation in Hawaii? Why don't you come along on my shopping spree!

MAYBE YOU CAN TELL that I have a real thing for hats! How's this one?

SINCE I PRACTICALLY LIVE in jeans and t-shirts, my first stop was a store that sold every style of t-shirt you could ever imagine!

THE GIRL WHO HELPED ME was so nice (and cute!) that Sam asked her to pose for a photo! I bought two just like the shirt she's holding.
