

# With DAVID!

**BOTH SAM AND I** are nuts for unusual jewelry, and we spent a lot of time choosing presents to bring back.

**I REALLY LOVED** some of the hand-carved art objects. I bought a groovy bowl at this place!

**WE STARTED OUT** on our shopping spree empty-handed, but by the time we got back to the hotel we spent all our money! It was really fun, and I only wish you could have been there too!
