

actually shot on Sunset Blvd. in Hollywood.

Bobby and David both had a lot of fun doing the show. It was the first time they'd ever worked together and they both found it very interesting.

Here's the exciting part—you can actually help Bobby get another

series. After you watch him on "The Partridge Family," if you like the show and the idea, then get out your pen and write to ABC-TV and tell them so. Also tell them how much you like "The Partridge Family" and perhaps you can help keep it on the air for years and years.

The address to write to is ABC-

TV, 4151 Prospect, Los Angeles, Calif., or ABC-TV, 1330 Avenue of the Americas, New York, New York 10019.

Then maybe in addition to the one time thing with Bobby and David together, you'll also get to see each of them on TV every week!
