

A gift from THE OSMONDS?

A present from BARRY?

A thrill from BOBBY?

CONTEST! Win Surprises From Your Favorite Stars!

A delight from DAVID?

WHAT WOULD it be like if you answered your doorbell one day and found the postman standing there holding a package just for you . . . and when you opened it up, you discovered that it was a super-special surprise for you from your favorite star? You'd probably pinch yourself to see if you were dreaming!

But it doesn't have to be a dream—not for some lucky TEEN LIFE reader! Enter our Stars' Surprises Contest and you may just win a string of Bobby's very own love beads, a personally autographed album from The Osmond Brothers, a lock of Barry's hair, one of David's own scripts from "The Partridge Family," or some other very groovy surprise gift.

What do you do? Simply tell us what your dream surprise is and who you'd like to receive it from. Fill out the rest of the coupon, too, cut it out and mail it in. We'll judge on originality and sincerity. Any ties will be put in the TL contest barrel and one winner will be chosen. It's as easy as that.

Then keep watching and listening for the postman—he may be bringing *YOU* a surprise!
