

Dear Ann,

We want David Cassidy! We want David Cassidy! We want David Cassidy! We want David Cassidy! Get the message? We want him in Valparaiso, Indiana!

HIP FAMILY

The Osmonds are so good that my great aunt (who's about 62) wants to get their album! That shows that there isn't a generation gap in my family!

POSTER LOVERS

This letter is to Cindy R. who said she has a crazy friend. I have a friend who has all four walls and her ceiling filled with Jackson Five pictures. She carries on conversations with them, and talk about kissing—she kisses everyone of those pictures except the ones on the ceiling! So consider yourself kind of lucky when your friend just kisses one poster!

Dear Ann,

I just finished reading "Living With David" by his roommate Sam, and I just had to write in telling you how much I dug it. Sam really has a great sense of humor. I cracked up throughout the whole story! Keep up the good work, Sam!

THANKS TO BOBBY

I want to thank Bobby for taking the time and thought to write his monthly letters in TIGER BEAT. I have them all, and he has a very gentle, kind, and understanding way of saying things. Sometimes his letters are the big brother kind, and others are the boyfriend type. They're both great. I want to thank him for the hard work he does for us and for his understanding and thoughtfulness. I wish all his fans would return the same consideration to him.

HEAD FOR THE HILLS

I think David Cassidy is groovy! Everytime I look at a picture of him my heart turns somersalts. Whoever has their eye on him can head for the hills because I've already landed him in my dreams.

FEELING MUCH BETTER

Man, am I ever ashamed of myself. I've been a loyal Bobby Sherman fan for almost three years and the first time I saw him with Patti Carnel, I hated her. I really wished she didn't exist. Well, I just finished reading Patti's story on Bobby in TIGER BEAT and I feel so ashamed. She sounds like such a nice, sincere person. And she's only 19 years old—just a teenager like me! I hope that Bobby and Patti will accept my apology. I still can't bring myself to say I hope they get married in the near future, but at least I know Bobby has good taste!

DREAM COME TRUE

I think Chris Stone of "The Interns" is a dream come true! Agree? Diane Balser

Dear Ann,

I couldn't wait any longer to tell you how much I appreciate TIGER BEAT! You give facts, not tales, and you always print the names of people who get information for your articles. You also print the truth on your covers and not bold, big exaggerations to sell the magazine. Your pin-ups and two-page posters are groovy, and you've never failed in sending exactly what's advertised on a coupon. You're also the first to have anything and everything on every brand new star. My mom said TIGER BEAT is one teen magazine she won't call "trash!"

Dear Ann,

I would like to thank you for printing the article "The Day David Cassidy Said, 'I Quit!'" Most teenagers look up to these idols and what they say or do really makes an impression on them. (More than any parent ever could!) So, if it keeps just one kid from starting to smoke it would be well worth it! I admire David Cassidy for having the willpower to quit as I know it's not an easy thing to do.

I also read your magazine and enjoy some of the articles, but I read it mostly to keep up on what my daughter is talking about.

Sincerely,
Mother of a teenage daughter

HELP!

Do you know that song by the Partridge Family called "Point Me in the Direction of Albuquerque?" Well, will you PLEASE point them in the direction of Albuquerque before June 1971? We are dying to meet them, and we'll be moving to Louisiana June 10!

Love,
Anne, Linda & the gang
Albuquerque, N.M.

PARTRIDGE POWER

The Partridge Family were Grand Marshalls at our Christmas parade! I ran up and gave them a gift, and about a week later I received an air mail letter from Susan Dey. It was a beautiful letter, and I've been on Cloud 9 for a long time!
