

A RARE SHOT OF DAVID ASLEEP! Almost every morning David was up before dawn and calling me so I wouldn't miss seeing the beautiful sunrises! Kenny Lieu shot this picture one afternoon when David was taking a nap!

DAVID WAS DISAPPOINTED that he couldn't find more exotic presents for his step-brothers, but he was pleased to be able to buy them just about anything his heart desired this year. He chose some wild toys for them!

BETWEEN SKIN DIVING EXPEDITIONS we loved just lying on the beach and catching those warm Hawaiian sun rays! At right, David checks his gear for another dive to explore the incredible ocean floors near the islands!
