**DREAM COME TRUE**

When David Cassidy was in Portland, Oregon doing a concert, I was there and it was simply wonderful. I sat 21 rows away from the stage and had binoculars so I could see him perfectly. Was he ever dreamy-looking with that white outfit on! He sang a lot of songs and talked a little to the audience about them before he sang. When he came to the side of the stage I ran up there along with some other girls, and is he ever dreamy! His roommate, Sam, is cute too! My dream came true—and so can yours—if you really want it to!

**UNCOOL**

Please rule out the "oldsters" like Frid, Jones, Madden and the others because they are very ungroovy and uncool. Let the over 30 magazines have them.

**TRUTH ABOUT BOBBY!**

Did you know that Bobby Sherman lives in Whittier, California? Well, he does! He's 23 inches long and weighs 16 pounds! Here's a picture of him with our poodle, Poopsie!

**LOYAL FANS???**

Today my girlfriend gave me some articles from last year on Bobby Sherman, all about how he felt with "Brides" going off the air. Every article said the same thing—"But Bobby knows that his fans will be loyal." Sure!!! Look at all these girls who said they'd love Bobby forever—they've deserted him and now love David Cassidy. I think those girls should be ashamed of themselves. Bobby will always be the greatest, as far as I'm concerned.

**SWITCHING FAVES**

First, I would like to say that your magazine is wonderful! There are also some things I have to say to some of you girls out there. I thought I'd love Jack Wild and Mark Lester for the rest of my life, but now, forget it. I'm hooked on Chad Everett. I don't feel people should go around saying how creepy these people are because while some people don't like them, others do. Everyone is different. But now I dig Chad Everett and I'm glad for everything FaVE prints on him.

**ONLY THE GREATEST**

The Jackson Five are really great! They're loaded with so much soul, they're ready to explode any minute! There's just no way they can be beat—I know it, you know it, and everybody knows it! The one who goes to my heart the most is Jermaine. He is a cool, neat, and groovy-looking guy! If he looks as good in person as he looks in the magazines, may God bless him—he's super!
