

## FaVE RaVES

(Continued from page 9)

Dear Laudy,

I wrote to you the end of last year about an article in the paper about David Cassidy being conceited, and you answered it in your column in FaVE. I wish to thank you for answering, and I'm sorry I ever thought that other article was true. I guess I really didn't love David back then, because "love is never having to say you're sorry!"

### THEY'RE JUST JEALOUS

I'm writing in regard to what a boy said in his letter about the Osmond Brothers. He worried that people would laugh at him for liking the group, but I think the reason other boys don't admit the same is because they're just plain jealous!

### SMART KID!

I was reading your Lowdown Chart on David, Donny, Bobby and Jimmy in your July issue of FaVE, and beforehand, I never realized how smart Donny Osmond is! He listed Bobby Sherman as his favorite singer! Like I said—what a smart kid!

### A BIG THANKS

I would like to thank FaVE for "The Secret of David Cassidy" which I received with my subscription. It's a great book!

IF YOU'D LIKE TO CHECK OUT "THE SECRET OF DAVID," IT'S AS SIMPLE AS ONE, TWO, THREE! SEE PAGE 48 TO FIND OUT HOW; AND IF YOU'RE NOT ALREADY A SUBSCRIBER BUT WISH TO BECOME ONE, TURN TO PAGE 6!

### EXTRA SPECIAL

My girlfriend and I just finished watching the Bobby Sherman Special and we'd like to say that Bobby was fabulous, wonderful, and adorable! By the way, halfway through the show Bobby almost had two additions to his audience—if someone hadn't taken hold of our feet, we would've gone right through the screen!

### TRUSTWORTHY MAGS

I'd like to thank everyone working at the Laufer Company for FaVE and TIGER BEAT. I ordered back issues from FaVE and another magazine (whose name I won't disclose) and FaVE replied very quickly. That's more than I can say for that other magazine! I only received two items from them and they still have at least \$8.00 of my money. This has already been a year since I sent in my order. If you're smart you'll stick with FaVE and TB. They are not only great magazines, but they're super honest!

### MORE, MORE, MORE

Thanks for the color picture of the Jackson Five in your July issue of FaVE. The article was very good too. You should print more on the group and have more color pictures because they're what's happening. They are the finest males on earth, not to mention being instant mind-blowers! Don't think you can print too much on Michael, Marlon, Jackie, Jermaine and Tito, because you can't!

WE LOVE THE JACKSON FIVE TOO! SEE PAGE 12 FOR MORE INFO AND PIX ON THEM!
