

**JACK AND ARTHUR WILD ENJOYED** their recent visit here. JACK combined promotion on his new album with getting together with many old friends!

**"PLAYING MUSIC HEARD** by the inner man" is the aim of new group, **SPIRIT IN FLESH**. They belong to a 200-member community called The Brotherhood.

**IT'S HARD TO** believe that groovy **TINA TURNER** has four growing sons!

**IN ONLY 9** years **HERB ALPERT'S** A&M label has become a major one!

**FANS WHO HAVE WATCHED** **JOHNNIE WHITAKER** and **ANISSA JONES** grow up on "Family Affair" will be missing the well-loved show next season.

**BERA** called "Pebbles and Bamm-Bamm"... Next season "The Partridge Family" does its share for the preservation of disappearing animal species. One episode will be titled "What Ever Happened to Moby Dick?" and will feature ABC sportscaster **HOWARD COSELL** as a man out to save whales from extinction... **CAT STEVENS** is now considered to be one of pop music's major recording and concert figures. His ability to draw crowds of fans to his performances is phenomenal. He sold out two shows at the Santa Monica Civic Auditorium, a total of 5,600 tickets! And he received standing ovations from his concerts at Carnegie Hall in New York... **YO-KO ONO** recently had something to say about husband **JOHN LENNON** and the other ex-**BEATLES**: "John made an LP—it took him a week. George had enough for three LPs. Paul had enough for an LP. Ringo has a hit single. Independently they are doing much better than when they were together. And they are making much more money. They are happier, too, I think. John is much more himself..." If you've been wondering what **BARBARA BAIN**, formerly of "Mission: Impossible," is doing, she will co-star with **RICHARD KILEY** in a TV movie "Murder Once Removed"... **MIA FARROW** is returning to the acting scene in "Good-Bye, Rag Doll," another movie made for TV. **MIA** will play the part of a young actress aiming for stardom in Hollywood... **JULIET MILLS** of "Nanny and the Professor" recently went on a vacation trip to London. But she spent much of her vacation hard at work. While in England **JULIET** starred in a BBC television drama, "She Stoops to Conquer." Her fans hope that the play will be shown on U.S. television eventually... If you're too young to remember, you may be wondering why your older brothers and sisters are talking about the faves of their childhood, **HOWDY DOODY** and **BUFFALO BOB SMITH**. Well, you can discover these and other colorful Doodyville characters next season when NBC
