

DAVID

ON THE ROAD WITH HIM!

HOLD ON TO YOUR HEART—cos you're about to spend an entire spellbinding (and hectic) day on the road with darlin' David Cassidy! First stop is Detroit, Michigan's Metropolitan Airport, where a crowd of Cassidy-crazy fans greet their fav rav! See if you can spot adorable David! (Hint: He's somewhere in the center of this photo!)

Soon after his overwhelming welcome to Detroit, David is whisked away to the nearby Metro Hotel. Here's David with Bell Records' National Promotion Director, Steve Wax, as David gets set to meet 75 junior high school and high school editors for a friendly and informative press conference.

"Hi—I'm really happy to be here!" is just what David is saying in this photo. "Does anyone have any questions they want me to answer?"

You can bet they have **lots** of things to ask the super-talented Mr Cassidy, and David gives his full attention as the question session starts.
