

The PARTRIDGE FAMILY SONGBOOK!

There're two ways to listen to every Partridge Family Album. The first is to close your eyes, lie back and just let the music and the magical sound of David's voice carry you away! But, the second way is even better than that – and you know, it's the way the Partridges like it too – when you sing right along! So here are the words they want you to have, so you can add your voice to theirs on their super 3rd album, "The Partridge Family Sound Magazine."

LOVE IS ALL THAT I EVER NEEDED Song by Wes Farrell and David Cassidy

What did I want
Well I just didn't know
So each day I kept picking up—and moving on
From town to town

How did I feel
Well it felt so unreal
To not know where you're gonna be
Or what you'll see
What will I be

CHORUS:

Then just when I least expected
Well there she was
And I found me
And one night of holding you
Showed me what I had to see
Made me want more than me
Love is all that I ever needed
It's time I opened up to greet it
That's all it took to see
Love is all that I needed
Love is all that I ever needed

Having you here
And holding you near
Well there's nothing I'd rather do—than be with you
I like what you do

Know what I've seen
And there's no in between
With you I've got a home and there's no moving on
From town to town.

(Repeat Chorus)
