

DAVID CASSIDY! THEN

LITTLE DAVID AT THE age of 5! What would he have thought if he knew then what the future held for him?

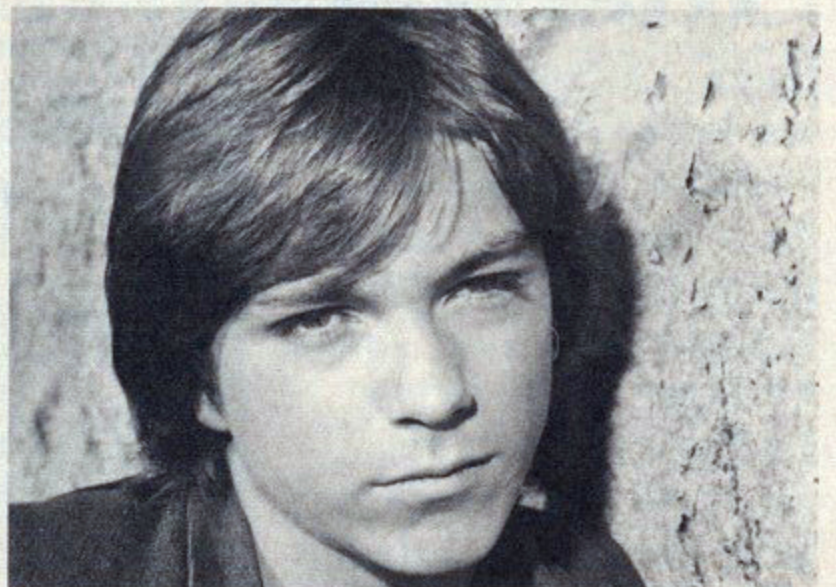

HIS MOM CALLED HIM "Smilin' Sam," and she had every reason to! 12 years old and a very happy boy!

THE SPARK IN DAVID'S eyes was one that would soon become known to girls everywhere! This was his very first Laufer Company photo shooting and many more were to come in the months that followed. The mail was pouring in!

SEVENTEEN YEAR OLD David could hardly wait 'till he graduated from high school. By now he already knew that what he wanted more than anything was to act and sing!

HE WON THE HEARTS of thousands of girls with his portrayal of a misunderstood boy on television's "Bonanza." The David of today was just around the corner!
