

# Smile contest Winner!

THE BEAUTIFUL Hollywood Holiday Inn was Karen Bowman's magical home during her stay. She and her Mom agree that it's the only place to stay in Hollywood!

## Karen Arrives In HOLLYWOOD!

*"I just can't believe I'm here," Karen Bowman exclaimed as she stepped off the TWA jet in Hollywood! She had arrived to spend an exciting week in Hollywood to appear on "The Partridge Family." Karen is the lucky winner of Tiger Beat's Official Partridge Family Smile Contest and you can join her for an exciting week right now!*

AS THE WINNER of the smile contest Karen got to be in a scene of "Partridge Family." What better way to start than with advice from Shirley Jones! Karen felt right at home!

A HAPPY KAREN WAS thrilled to be able to have lunch at a place she's read about so many times in Tiger Beat, Fave and Partridge Magazines! Of course, it's the Yankee Pedlar where she was the guest of Susan Dey, Jane Joyce, and Susan's brother Tommy who was visiting from New York. Karen said that "Susan is just as pretty as I knew she would be—and so interesting!"

BELOW: "NO YOU DON'T," David kids Dave Madden, "I get the first kiss!" Both Dave and David helped Karen go over her lines and encouraged her on! "I don't know what I would have done without their help," she said!
