Lights! Camera! Action! Those are three words I'll never forget! Meeting The Partridges and actually working with them was just too good to be true! I hope you'll share with me now the most exciting week of my entire life!

WOW! I COULDN'T believe my eyes when I saw MY name on the Holiday Inn signboard in Hollywood. This fab hotel is right across the street from the TIGER BEAT offices! Neat!

AFTER VISITING THE PARTRIDGE SET my first afternoon in Hollywood, I got to watch a TIGER BEAT photo session with the Osmond Brothers. They were all so nice to me and I got to meet Mr. and Mrs. Osmond too!

AFTER A SUPER LUNCH with Susan Dey, we ran into Wes Stern (standing next to me) as we were leaving Yankee Pedlar. These are the kinds of accidents that I don't mind happening!

YOU CAN see how excited I am about meeting Bobby Sherman! I got to see him film his series and then talk with him between scenes. He's one of the nicest people I've ever met!

IT WAS SO GROOVY getting to know Susan. She's so sweet and her brother Tommy came along with us and he was a groove too! Can you believe it—Susan's prettier in person!
