FROM GLORIA STAVERS

I want to assure each and every one of you who writes a letter to me at *16 Magazine* that your letter is delivered to me *personally*. I want to assure you too that I read *every single letter* I receive, that I'm grateful to you for writing to me and that I appreciate every suggestion and criticism you address to me. There isn't enough space in *16 Magazine* for me to publish every letter I receive and there isn't enough time for me to answer every letter personally — but please keep writing and look for your letter and my answer each month in *You're Telling Me!*

Address all of your letters as follows: Miss Gloria Stavers, c/o *16 Magazine*, Business Office, 745 Fifth Avenue, New York, N.Y. 10022.

CASSIDY CONTEST WINNER

Dear Miss Stavers,

I can't tell you how thrilled I was to be the grand-prize winner of your fabulous "Partridge Family Giveaway Contest". I just loved the present each member of the *Partridge Family* sent me—especially the fantastic bouquet of paper flowers that DAVID sent—and the beautiful private *Partridge Family* photo album was just unbelievable. I really loved everything! Thank you again!

Dear Miss Stavers,

Three loud cheers for your fab new mag *Loving Fashions!* I'm really hooked on it—can't do without it!

BRADY DATA?

Dear Miss Stavers,

I have two questions about data on the *Brady Bunch*. I read in one magazine that CHRIS KNIGHT is five feet tall and in another that he is five feet and two inches tall. Which is correct? I also would like to know what grade Chris is in and how old he is. How about BARRY WILLIAMS and MIKE LOOKINLAND? Also, in the July 16

64

you said that EVE PLUMB is 65 inches tall—this means she is five feet and five inches tall. That must be a mistake! What is her real height? By the way, where can I write to Eve and be sure she gets my letter?

MaryLu Katz

Santa Barbara, Calif.

• Dear MaryLu,

CHRIS KNIGHT is exactly five feet and one inch tall at this writing—but he is growing all the time! He weighs 90 pounds. This September, Chris begins the ninth grade and he will be 14 on November 7. BARRY will be 17 on September 30 and will be starting the 12th grade. MIKE will be eleven on December 19 and will start the sixth grade this fall. As for that data on EVE—it was a typographical error. Eve is really four feet and nine inches tall. She weighs 70 pounds. Sorry about that goof. Eve Plumb's correct mailing address is 6430 Sunset Blvd., Hollywood, California 90028.

IT'S THE GREATEST!

Dear Miss Stavers,

Hey, wow! That copy of *Secret World Of Boys AND Personal Diary and Date Book* you sent me is the greatest! It's really two books for the price of one! And everything in it is just wonderful! Thanks!!

RICHARD THOMAS

Dear Miss Stavers,

Could you please tell me who played "Billy" on an episode in *Bonanza* this summer called "The Weary Willies"? I've got to know!

Patty Kellam

Blue Ridge, Md.

• Dear Patty,

Here's a pic of RICHARD THOMAS, the boy who played "Billy" on *Bonanza*. He also starred in Universal's great movie *Red Sky At Morning*.

YOUR PROBLEMS SOLVED!

Dear Miss Stavers,

I can't say enough about your new magazine *Loving Fashions*. It's every girl's answer to her problems about looking nice, acting properly—and boys (especially the one boy she really likes!)

Ruth Benedict

• Dear Ruth,

I couldn't agree with you more! Every 16-er who still hasn't picked up a copy of *Loving Fashions* is missing plenty! Turn to Page 4, everybody!

JACK WILD'S HEIGHT?

Dear Miss Stavers,

I read in another magazine that JACK WILD has grown a couple of inches, but they didn't say how tall he is now or how much he weighs. Could you tell me?

Roberta MacVane

Portland, Me.

• Dear Roberta,

Yes, indeedy—jumpin' JACK WILD is now five feet and three inches tall (and still growing!) and he weighs 105 pounds.
