HOW MUCH DOES DAVID WEIGH?

Dear Miss Stavers,

I read in another magazine that DAVID CASSIDY weighs 140 pounds, and in the July issue of *16* it says he weighs 125 pounds. What is his correct weight?

Linda Hoagland

Spring Lake Hts., N. J.

• Dear Linda,

DAVID weighs 125 pounds — though sometimes his weight fluctuates up to 130. But that's not very often. When — oh, when — will all of you ever learn to just stick to sweet *16* and forget about all those other blah magazines, so you'll never ever have to write letters like this?

A NOTE FROM SUSAN

Dear Gloria — and all *16*-ers,

I know that my Gold Star Award as "Most Promising TV Actress" comes from the readers of *16* and *SPEC*, even though the announcement was printed in *SPEC*. Here's a picture of me holding my award after my younger brother Tommy (17, going on 18) presented me with it on my last trip to New York. Since you've all been so wonderful to me, I thought it might be fun for us to share this picture. Thanks again for everything!

ALL ABOUT COWSILLS

Dear Miss Stavers,

I'd like to know the COWSILLS' newest address and I'd also like to find out what's happening with them.

• Dear Ellen,

You can write to the COWSILLS at Box 69420, Los Angeles, California 90009.
