

Suzanne seems to be on her bike more than off. And even though it looks too big for her, she handles it like a pro!

Bet you thought Carol Deck remembers all the things I say to her, so she can write them down for you in FLIP! Not so—she has me talk into her tape recorder so she's sure she won't miss a word!

On the show, Danny always seems to be making Reuben's life difficult. Off camera, it's often the other way around!
