

David and his famous dad, Jack Cassidy, have a close relationship today and appear at many functions in a foursome with Shirley and one of the girls David dates.

Lynn Dubian is a friend of David's but he says he has never really been in love yet.

By MICHAEL HARP

David Cassidy is not secretly married, as some rumors claim. He could be, if he had finished his teens too impulsively. The divorce David dreads will be his own, however, if he is trapped by his love story.

And if the girl he cares for completely fumbles her chances, she won't be the bride she could be.

He shudders at the thought of breaking her heart. He'll never get his kicks from fleeing ruthlessly after a conquest, as actors like Warren Beatty have repeatedly. David's far too kind. Still he can cause suffering for himself and the girl who matters most to him if she doesn't manage to be wiser than Eve.

To prepare her for her crucial decision, *here is the warning for her directly from David, himself.*
