Partridge Family for airing in the fall.

"It was at the Bistro in Beverly Hills. David saw me, and I saw him. I wasn't going to say anything, because we hadn't seen each other in over a year and I didn't think he remembered me. But all of a sudden he went, 'Judy!' and I went, 'David!' He was with Susan Dey, and I thought she was his date. I didn't know they were in *The Partridge Family* together.

"David asked, 'Do you mind if I call you?' and I said, 'Not at all!' So he wrote my phone number on his hand, and I didn't think he'd remember it.

"But about a month later he called me. He said he'd seen me on some television show, and he asked, 'How would you like to go out to a publicity party for Bell Records with me?' I said, 'Fine,' and we went to it. That was in August.

"He was so nervous at the party! In fact, the whole time he said to me, 'Just hold onto me. Hold onto me!' Because it was before his first record was out, and he was very, very nervous. But he handled it very well."

That was how their dates began—but a month or so later they almost ended.

"In September I was on television three times in one week," Judy recalls. "I was on *Room 222*, an hour later I was on *Dan August*, and that Friday night I was a guest star on *Love American Style*. That was the same night David was premiering on *The Partridge Family*.

"Just after I was on *Dan August*, I got a phone call. It was David. I hadn't talked to him for a while, and he said, 'I just saw you on television and I really liked you—and I want to get together with you.'

"So I said, 'Fine.' I was busy on Thursday, so I asked, 'What about Friday?'

"He said, 'Well, I'm on TV Fridays.' "I said, 'I'm on, too. You're on at eight-thirty, and I'm on at ten on *Love American Style*."

"He told me, 'Well, I've got to go over to Shirley's [David's stepmother, Shirley Jones] house and watch the show, and then after the show I'll come by and we'll watch your *Love American Style* together."

"Well, something happened and my phone got disconnected—it was out of order. So I waited, and *Love American Style* was on, and he didn't come over and I didn't hear from him. So after my show was over, I waited a few minutes, and then I thought, 'Oh, forget it! He's not going to come.' So I went to bed.

"A half hour later there was a knock on the door and my mom answered. It was David. He got tied up and my phone was out of order so he couldn't tell me.

"My mom said, 'Well, gee, David, she's asleep.' So he got really upset, and he left. And he didn't talk to me after that because of what I did. He thought I had stood him up. I didn't stand him up. It's just that I didn't know my phone was out of order, so I didn't think he was coming over.

"We didn't talk for a long time after that, until close to the time when Kevin died....

"When we did talk on the phone a few times, it was I who called him, and he seemed a little indifferent. We didn't see each other for some time. He never mentioned what had happened that night. We both just left it up in the air."

And then one day Judy called David to tell him that Kevin had died.
