MOVING TROUBLES

I'm just ill! My family just moved to a different state and, in the process, my whole collection of magazines were lost. I'm sure that I had nearly every issue David was in and now I'll never be able to find those same copies. Is there by any chance a fan out there who would be willing to sell me hers for a reasonable price?

Dear D.W.D.,

Cheer up! All you have to do is turn to page 49 and find out how to get all back issues with stories and pictures on David. This way, you'll have a whole new collection that will positively be complete!

SINGING IN SEATTLE

There is a Heaven on earth! My girlfriend and I went to David's concert here in Seattle and we'll never, ever be the same! He is as my parents would say, "the greatest thing since sliced bread!" I can't wait for him to return for another concert so that I can be the first in line for tickets.

SUSAN'S SHADOW

I'm thirteen years old and have tried every diet around. I'm five feet, six inches tall and way too fat. I was really desperate. But, after reading about beautiful Susan Dey, I've made a vow to become like her shadow. I am going to watch what I eat and do exercises and maybe, someday, I can look half as good as she does!

Elaine P.
Dallas, Texas

Dear Elaine,

Congratulations and good luck! We know you'll make it with Susan as your inspiration. To make it easier and find out Susan's own tips on beauty, turn to page 29 and learn how to order her book, *Boys, Beauty, & Popularity*.

MERRY MADDEN

My brother and I watch "The Partridge Family" every Friday night and we think Dave Madden is the funniest man in the world. He has such a merry smile. Here's a big hurrah for you, Dave, keep smilin'!

TOO YOUNG?

My sister Laurie buys your magazine and I think Suzanne Crough is pretty. I'm eight years old, too, and I hope to meet her someday. I don't think I'm too young to be a fan, do you?

SUPERMOM

Shirley Jones seems so sweet and nice on television. I'm sure all Partridge fans will agree with me that she is a "Supermom"! I wish that she lived next door so I could really get to know her!

Charlene Reinhardt
Hartford, Connecticut

Dear Charlene,

You're absolutely right—Shirley is a "Supermom"! What's even greater is that she is simply a "Super person"! How about getting to know her by turning to page 58 and order the book that tells you 1001 Secret Facts about all the Partridges? It's the next best thing to being neighbors!
