

It was an exciting day at Marineland in Palos Verdes, California, when the Partridge Family filmed a script with Orky

the whale! Now, you can be a part of the fun, so come along for a wonderful day on location with the Partridges!

IT WAS A WINDY day, but the sun was shining beautifully on the afternoon that the Partridge Family filmed at Marineland. Editor Sharon Lee went along to get the whole story, and to have some fun in the sun with the Partridge stars, too! Everyone loves to film even more on location!

AUTOGRAPHS WERE ON the schedule for the day and the Partridges signed hundreds! Suzanne had a great time even though she got a bit of a sunburn!

Come To MARINELAND with

TIME OUT FOR a snack and Danny reaches for a carton of cold milk! When the Partridges film on location, hot lunches are even provided!

RIGHT AWAY EVERYONE got acquainted with their co-star, Orky the whale. The show was all about a singing whale who joins the act! Watch for it on TV! Of course the Marineland whale trainer was there, too, to keep an eye on everyone. Guest stars on this show are Burt Conte and Howard Cosell!
