

THE PARTRIDGE PANEL

Is there one very special thing you'd like to ask one of the Partridge stars about? Now you can right here in the PARTRIDGE PANEL! Just send your letter to: Partridge Panel, 1800 N. Highland Avenue #604, Hollywood, California 90028! David, Shirley and the others are delighted to have this chance to talk with YOU!

FOR SUSAN:

Dear Susan,

Are you very close to your family? What one thing would you say you're really glad your parents taught you?

Connie Carter
Chicago, Ill.

Dear Connie,

Yes, my family is a very close one and we all love being together whenever we can. I think one of the most important things they've taught me, my folks, is to be myself. Don't try to win the race by being somebody else. I love to get letters from my Dad because he never lectures. It's like getting letters from a man who cares a lot and is experienced. They're on a person to person basis. Often he offers me advice but he

never forces anything on me. The greatest advice he gave me was to just be myself.

Dear Susan,

I think you're beautiful. They're probably a lot of people who would love to meet you, but who would you like to meet if given the chance?

Clara Wards
Brooklyn, N.Y.

Dear Clara,

Thanks so much for the compliment! I think meeting all the Partridge fans, like you, would be groovy! Just out of curiosity, I'd like to meet David Frost and Dick Cavett too, for that matter. Bette Davis would be nice—she's always had such heavy roles. I really admire her as an actress. Other than that, I could say I'd like to meet the man in my life—but not till a little later on!

Dear Susan,

Do you like to wear sunglasses?

Joan Summers
Bridgeport, Conn.

Dear Joan,

That's an easy question! Yes, I do, except I've got this problem. Whenever I go into a store to shop for some, I take hours and hours! I usually like so many different styles that I try on almost everything they've got. The last pair I bought took me about an hour. You know how I finally decided? There were so many beautiful ones that I simply looked for a pair I didn't like and I bought them! They were just \$2.98, but the nice thing is that since I really don't like them, I won't worry if I lose them or break them! Thanks for writing to Partridge Panel!

FOR DAVID:

Dear David,

Did you ever get that new car you were going to get for your 21st birthday?

Bonny Crosby
Honolulu, Ha.

Dear Bonny,

Yes, I did and it's terrific! I'd love to give you a ride in it—it runs so smoothly. It's a white Corvette with a black interior and I'm really proud of it. But I must say that my old blue Mustang was a pretty nice car too!

Dear David,

What do you think of the new Partridge star, Brian Forster?

Janet Collins
Los Angeles, Cal.
