

LET'S TOUR WITH DAVID

CONTINUED FROM PAGE 21

that he hadn't been able to be there to see You, too. He wants to let you know that you made Saratoga Springs a beautiful place for him!

We had some surprise visitors during our show in Salt Lake City, Utah. As you probably know, the Osmond Brothers have a home in Utah, and were we ever surprised when they came backstage to watch David's show!

They said they had a great time and really enjoyed it! David was glad he finally got a chance to meet them—he thinks they're great and hopes to get to one of their concerts some time! David's mom, actress Evelyn Ward was along on that trip, and she's so proud of David—you can just see tears of joy shining in her eyes!

Lately we've been working on some new material—we want to add a few new songs from the next Partridge album. David's really learned to pace himself well! In his very first tour in Seattle and Portland his voice was so hoarse he could barely speak after the shows, but he doesn't have to strain anymore, although 14 songs is a lot! I'm pooped after 6!

It's exciting to watch David perform, because each week you notice more and more! He really reaches out to the audience and when he sings his favorite song "I'll Meet You Halfway," he shouts out "Come on, reach out—I'll meet YOU halfway," and everyone in the audience reaches out! It's beautiful to see! David loves all of You and wishes you could be together every tour!

Well, my space is running out for this month, I guess I talk too much! But 'til I see you on tour or in the next issues of Tiger Beat's Official Partridge Family Magazine, let me hear from you, okay?

MAKING THINGS ROCK are from left to right, trumpet man Laroon Holt, Saxophonist (he plays flute, too!) Joe Roccisano, and of course our own "Cookie." The guys all wear groovy brown outfits—Kim and I wear lavender!
