RUMOR: *I want to know the truth! Does David's father, Jack Cassidy, really dislike David's roommates, Sam Hyman and Steve Ross?*

FACT: Here's the truth: Jack thinks that Sam and Steve are great . . . and he also thinks that they are helpful, loyal, and true friends for David! Shirley thinks they're nice guys too!

RUMOR: *My name is Tommy. I'm eleven years old and I like Suzanne Crough a lot! Do you think she'll start liking the new Partridge, Brian Forster, for a boyfriend?*

FACT: No! Danny says the only time he has ever worn a wig was for an episode on "Partridge Family!" Danny much prefers his own hair, and he likes for people to show their real hair. As far as Danny's concerned, wigs are out!

RUMOR: *My girlfriend is positive Susan Dey started her acting career on a daily soap opera on TV! Right?*

FACT: "Partridge Family" is Susan's first acting job. She had appeared on several TV commercials and has been a top junior model for many years, but as far as acting goes—Susan made her professional acting debut on the pilot of "Partridge" last year!
