

FUN 'N' GAMES

WELCOME TO 16's wild, new Fun 'n' Games page! This month we're departing from our usual puzzles and quizzes and giving you — a 16 regular and a David Cassidy lover — a chance to have your say about one of the most important "areas" of adorable David! That is, his beautiful, shiny, caressable, medium brown locks — or hair, as most folks say!

Since David began his TV career many moons ago, he has had at least eleven different hair styles. On this page you will find photos of David's varying hair styles from the beginning of his TV career (remember those fabulous guest shots he did on such shows as *Mod Squad*, *Ironside* and

Bonanza, etc.?) until the present day.

Take a good look at all the different Davids presented to you here and then pick the **one** you love most of all — the one whose hair style is **most** appealing to you. And then write a **postcard** to 16 Magazine indicating **exactly** which hair style you'd love to see David **stick to!** That is, if you like hair style **A** — put on your postcard, "I want David Cassidy to always wear hair style A." Or if you like hair style **D**, write "I want David Cassidy to always wear hair style D." Address all of your postcards to: **David Cassidy's Hair Style, 16 Magazine, 745 Fifth Avenue, New York, N.Y. 10022.**

F. Between the time he filmed the pilot and started shooting *PF*, here's how David wore his hair.

G. This is how David wore his hair during most of the first season on *The Partridge Family*.

H. However, from time to time, David cut bangs — as you see in this picture.

I. Or else he parted his hair in the middle and combed it back and down — as you see here.

J. At the beginning of the summer, David let his hair grow out and wore semi-bangs.

K. A recent shot of David (at the Emmy Awards) shows the super-long hair he's wearing this summer.

DON'T FORGET! Choose the one hair style you want David to stick to and always wear, and **PRINT** the letter of the hair style you choose—A, B, E, H or whatever—on a postcard. Then mail the postcard to: **DAVID CASSIDY'S HAIR STYLE, 16 MAGAZINE, 745 FIFTH AVENUE, NEW YORK, N.Y. 10022.** Do it now!!
