

### HONESTY COUNTS!

I've heard of girls writing to their faves and telling them lies—like saying they're in the hospital when they're as well as anybody—to get a letter from their fave. I think if you want your faves to be honest with you, you should be honest with them. Don't you agree?

### PERSONALLY GUIDED TOUR

If the Osmond Brothers come to Miami, Florida this summer (and I hope they do) a tour of the city will be on me! I'll even wait for them at the International Airport, that's how much I love them!

### HIP HIP HOORAY!

Three cheers for Deb Vernon of Ithaca, N.Y. for liking Pete Duell! And three more cheers for FaVE for printing such a fantastic article on him in the June issue! Pete's not only a great actor, but he's also a cute guy. I'd never miss an episode of "Alias Smith and Jones" for anything!

### HAPPY LIFE TOGETHER

Ever since I saw Philippe Forquet on "The Young Rebels" I loved him. He's adorable. I read that he recently married a girl named Linda. (Lucky Linda!) I wish him all the happiness in the world. I really don't see what's wrong with a fave getting married. If you're a true fan you should want your fave to be to be happy.

### CAN'T DO IT

My girlfriend has a boyfriend and I don't—simply because I can't turn to another boy when my heart belongs to David Cassidy. He's really cool!

### HAPPY TEARS

When I read Bobby Sherman's story "Why I'm Not Ashamed to Cry" in your June issue I cried. It made me love him even more because I learned that on top of everything he has going for him he's honest too. I'm glad he's not ashamed to cry. He must be a sensitive person; just the kind any girl could love.

### GREAT BOOK

I recently got the book on Susan Dey called "Boys, Beauty and Popularity." It is the most fantastic thing I ever laid my eyes on! Susan really knows all the secret tips to improving your personality and I think she's taught me a lot. All other FaVE readers should get this book too!

### DRIVES GIRLS WILD

In June's "A Date with Donny" there was a part that made me fall off my bed! Donny said he would like to receive opinions on the Osmonds' sudden desire for longer hair. Well, everytime my friends and I see Donny's gorgeous chocolate locks carressing his huge, loving brown eyes we really feel wonderful inside. Since the Osmonds have allowed their hair to grow longer they are a million times more fabulous. Alan and Wayne are irresistibly masculine while Merrill looks simply super-tender, and Donny and Jay are so outasite. I think they should grow their hair a little bit longer!

### MEETING BOBBY

Just recently my friend and I went to see Bobby Sherman's concert in Cherry Hill, N.J. The show was fabulous, but the biggest thrill was when we got to go backstage to meet him. He was so nice and sweet that we couldn't help but love him! We brought him a gift and when I gave it to him he thanked me, then took my hand and asked me for a kiss. Then he bent down and kissed me and my girlfriend! This was surely a day I'll never forget! (I'm on the left!)
