

"HAPPINESS IS..."

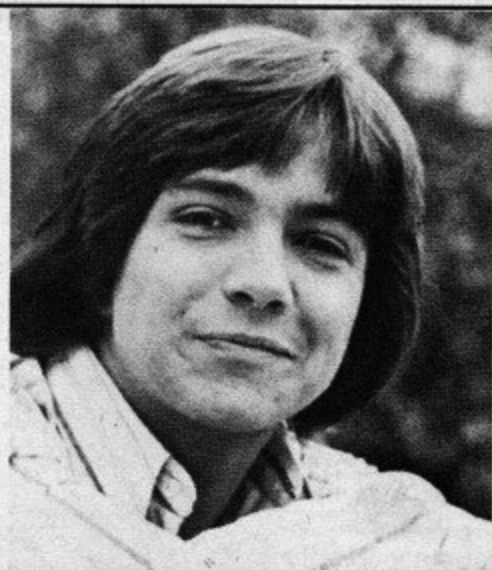

Happiness is a word that covers a million thoughts and feelings, because it means so many different things

to everyone. Here's what 30 of your top faves had to say when we asked what made *them* happy!

Bobby Sherman

"...meeting and talking with as many nice people as I can everyday!"

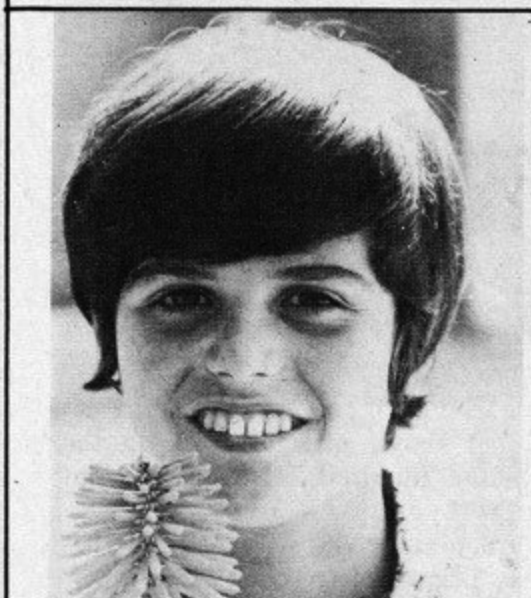

David Cassidy

"...being home late at night playing music with a few very close friends."

Wes Stern

"... being in love and being loved in return!"

Donny Osmond

"... when the family is all together to worship or celebrate a special religious day."

Susan Dey

"... returning home for a visit with my family—it's great!"

Jack Wild

"... recording, singing, acting, dancing and just doing anything I like!"
