DON'T HANG OUT

This is to all the girls who hung around David's old home: **DON'T** hang around his new one. Let the poor guy have some peace and quiet. If you really want him to know you like him you won't linger around his house making him dislike you. He works hard on the "Partridge Family" all day and that's for you. And you shouldn't be so mad if he likes a girl and takes her out. If you really liked him you'd want him to be happy even if the lucky girl he falls in love with may not be you.

BRILLIANT PIX

Your magazine is the living end! I buy it all the time. The photos you print are the best and they don't fade like in the other magazines. FaVE is number one. Three cheers for ya! Hip hip hurrah!

WHAT'S SO GREAT?

Everyone raves about David Cassidy. What's going on? I mean, he's only perfect, with his hazel eyes and beautiful build and all that mushy stuff, right? Did you hear that, David Doll?

MULTI-TALENTS

I live in a small town and I never expected anything to happen here, but I was reading the paper and found out that Kurt Russell is going to be playing on our baseball team! It's really wonderful that he has so many talents.
