

DAVID'S BIRTHDAY

(Continued)

Birthday's are special occasions. Twenty-first birthdays are very special occasions!

David Cassidy's 21st birthday was a special day for David, but perhaps not like you might expect it to be.

Maybe you think David would celebrate turning 21 by throwing a huge party or getting all dressed up and going out to some world famous big restaurant to dine on something like pheasant-under glass.

But if you're a true David Cassidy fan, you know that's not David's sort of thing. He prefers small parties with a few close friends and quiet, intimate restaurants with good food.

And that is just how he spent April 12, his 21st birthday. Here's the story in David's own words: "I had fun on my birthday. I had a very nice day. I just fooled around during most of the day with some of my friends.

"Then we went out to dinner that night—me and my friends. We went to a restaurant in Venice that I like and I had steamed clams, which is my favorite food. I had a big bucket of them.

"The nice thing was that I didn't have to pay the bill and I didn't have to drive! It was really a delight. We just had a lot of fun.

"We ordered a whole lot of wine and my friends made me show the waitress my identification to prove that I was 21 and could order alcohol. She didn't even ask
