

Dear FLIP,

There's five things we really dig!
They happen to be Donny, Jay,
Merrill, Wayne and Alan Osmond.
(For this kind of dig, we don't need
a shovel!) Sure wish you'd put more
color pictures of them in FLIP!

Dear FLIP,

I enjoyed the Hollywood column
in the June issue, because you told
how David, Bobby and Donny Os-
mond were after the earthquake. I
think it was a good idea you told
us, because if Donny had gotten hurt
I don't know what I would've done,
because I think he is a living doll!

Dear FLIP,

In your June issue, two girls want-
ed more pics of Donny Osmond,
'cause they love him. Well, you guys,
share him with me and include me
as another one of his greatest fans! I
have a private bathroom with only
two square feet left till it's completely
papered with Donny's pics. Please
have more pics of him. Please!

Dear FLIP,

In your July issue of FLIP, Mary
Ann Jones of Caledonia, Miss. wrote
in agreeing with what David Cassidy
said about race being no obstacle in
friendship. I agree. But there was
one thing that kind of made me up-
tight. That is, I don't agree with
white guys dating Negro girls, and
vice versa. I don't think kids should
inter-date, because it could lead to
inter-marriage, and I don't believe
in this. I don't want to get anyone
mad at me, but I felt like I had to
say what I believe. I am a great fan
of David Cassidy, and I hope he
reads this. I also hope you print
this letter, so maybe more people
will write in and express their views
on things.

Dear FLIP,

This is to the girls who hate outa-
site Bobby Sherman. Look at his
kind and gentle face! It's saying
something special. Look at his gor-
geous physique and listen to his
wonderful voice! Doesn't he just
knock you out?! Be honest, now,
doesn't he? Now look at his beauti-
ful long, shiny hair. He is super!
Come on, girls, get with it. Let's
show Bobby how much we deeply
love him and let's keep him the
world's number one superstar! Is
it a deal?

Dear FLIP,

I just recently started reading your
magazine. I used to think it was
stupid when girls would get maga-
zines just so they can cut out pictures
of guys. And I'd never collect any-
one's picture, until Christmas night
when I saw "The Partridge Family"
for the first time. That was when I
found someone really is super-super-
special. He's (if you didn't guess
already) David Cassidy! Now I don't
think it's so stupid to collect pictures
of guys. Thanks for putting so many
pictures of David in FLIP.
