

DAVID ASKS YOU TO

please look at yourself in the mirror. Hold your hands on your face so you can just see your eyes. (Put one hand above eyes and one below.) Now study your eyes.

Concentrate on them. What color are they? Have you ever taken the trouble to really notice? And how do your eyes look? Beautiful eyes? Pretty eyes? Strange eyes, mysterious eyes, exotic eyes?

And now that you've studied your eyes, read the instructions on page 37. Do it now! *Right away!*
