## **Real Life Movie ----- He Sings - He Moves - He's Yours!**

Here are the simple directions to make a David Cassidy Flip Card Movie for your very own!

- 1** Cut out each numbered picture on pages 83 and 85 leaving dotted border at the top. Cut each picture the same size.
- 2** Paste photos onto a light cardboard surface and cut to same size. (An old deck of playing cards would be perfect because there is snap. Be sure you don't use something as stiff as a shirt cardboard.)
- 3** Stack photos in numerical order. Picture one should be on top and picture 32 on bottom, face up.
- 4** Hold stack of photos at top, then flip through stack to watch David sing for you.

**NOW YOU  
HAVE YOUR  
VERY OWN  
DAVID  
CASSIDY  
MOVIE!**
