"YOU PROBABLY HAVE NOTICED by now that most of my favorite photos involve 'firsts' in my life. My autograph session at a department store in October '70 was one of these and I loved it!"

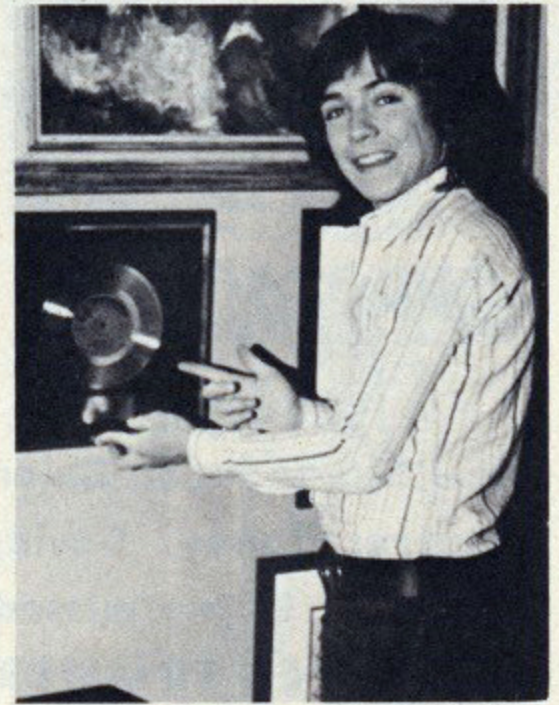

"LAST DECEMBER my roommate Sam and I finally found the time to take a vacation to Hawaii. Here we're building sand castles!"

"ON THE SAME trip we got a lot of skin diving in. We had just earned our certificates and it was really exciting!"

"I THINK FAVORITE pictures should include favorite people too, such as my step-mom Shirley and brothers!"

"THE EXCITEMENT OF winning my very first gold record for 'I Think I Love You' is a feeling I won't forget!"

"MY MARCH CONCERT in Seattle (yes, another first!) where I really found out how singing live to you is!"

"TURNING 21 IN APRIL of this year was made super-special for me when the editors of TIGER BEAT, T.B. SPEC, FaVE and PARTRIDGE FAMILY magazines threw a surprise party for me! It was my all-time best birthday!"
