

Tiger Beat Q & A

Q. This may be an unusual question, but I hope you can help! I heard this country-western song awhile back and I don't know the name or singer, but in it is a verse that goes "Two by two" and "The rosey red cheeks of the little children." Do you know what it is?

A. You've come to the right place! The song you have in mind is "England Swings" by Roger Miller.

Q. Can you please tell me Donny Osmond's middle name?

A. Donny's middle name is Clark.

DONNY

BOBBY

Q. I have heard that Bobby Sherman is a Leo and then I've heard that he's a Cancerian. Can you set me straight once and for all?

A. We'll try! Bobby was born on July 22nd, which makes him a Cancerian. He is what's known as "born on the cusp," which means just at the time the signs are changing. July 23rd begins the first day of the Leo birthsign which lasts until the 22nd of August, and so on. Hope that helps straighten things out!

Q. I liked the picture you ran of Vincent Van Patten awhile ago and was wondering where I may write him. I think he's a doll!

A. You may send Vincent his mail in care of the MEW Agency at 151 N. San Vicente Blvd., Beverly Hills, Ca. 90211. Be sure to include a colorful TIGER BEAT sticker on your envelope to insure a speedy reply!

Q. When I was watching "My Three Sons" I saw the two names Stanley Livingston and Barry Livingston on the credits. Does that mean they are related?

A. Yes, Stanley and Barry are brothers.

Q. Does Donny Osmond have a girl friend? If so, who is the lucky gal? I'm keeping my fingers crossed he doesn't have a steady!

A. It looks as though you're in luck! Since the Osmonds have such a hectic schedule with concert tours, personal appearances and recordings, they don't have that many opportunities to date. So at the present time, none of the boys have steadies.

Q. Does Kurt Russell ride his horse Raquel in his movies?

A. No, he does not.

KURT

DAVID

Q. I've got a friend who keeps saying that David Cassidy won't take out girls from small towns. Is this true?

A. Not at all. David says he takes out a girl if he likes her—and the place she's from has nothing to do with it!

Q. I'm wild about the Osmond Brothers, and I read about them in TIGER BEAT all the time! I think Marie's column is the greatest! I was wondering if Jimmy will be joining the group soon? I'm dying to see him on stage!

A. At this time there are no plans for Jimmy becoming an official member of the group, but he will continue joining his brothers on stage during their live appearances to sing several numbers. The group has many concerts planned for this summer, so be alerted of the shows coming to your town and you may see Jimmy after all!

Q. Please tell me if Brandon Cruz reads his fan mail. I'm planning on writing to him and I hope he'll see my letter! Where can I write?

A. Brandon tries to read as much mail as he possibly can, so you really shouldn't have to worry! Drop him a line at the MGM Studios where he films his show, at 10202 W. Washington Bl., Culver City, Ca. 90230.

BRANDON

ELVIS

Q. Is Elvis Presley married?

A. Yes, Elvis is happily married to a lovely girl named Priscilla, and they have a beautiful little daughter, Lisa!

Q. Is "Room 222" filmed at a real school?

A. The exteriors used to be filmed at Los Angeles High School, and then other scenes were shot primarily on the Twentieth Century Fox lot. But during the big earthquake in February of this year, extensive damage was done to L.A. High, leaving it in too poor condition to conduct regular classes or do any filming. So come next season, "Room 222's" school will have a new location and exterior. Be watching for it!

Q. I have a question that's been bothering me for some time now. Is Danny Bonaduce's real name Danny or Dante? It means a lot to me to know!

A. Danny's real name is Dante, but most people call him Danny, which he says is all right with him!

Q. I'm very confused! I read on numerous occasions that Rick Ely has a daughter, but I didn't even know he's married. I was under the impression he lived alone, but now I don't know what to think. Can you please explain?

A. Rick Ely was married to a girl named Kris while he was still in his teens, and they had a little daughter named Lori. Unfortunately, since they were both so young, the marriage didn't work out and they were divorced. Now Lori lives with her mother, and Rick sees her on weekends. He does live alone.

RONNY

Q. Does Ronny Howard have a favorite dessert?

A. We asked Ronny and his first reaction was "you name it!" He admits to liking almost every kind of dessert there is! But when it comes to regular food, he says steak and pizza are two of his favorites!

Q. There are a couple of things I wanted to know about David Cassidy. First, can you tell me what some of his hobbies are, and second, does he have a middle name? If so, what is it?

A. David has a wide variety of interests, but he lists music and skin diving as his top favorites. Also, anything that's athletic is bound to pop up on his "like to do" list too! As for your second question, yes, David's middle name is Bruce.
