

SECRET WORLD OF BOYS

Dear Miss Stavers,

I'm just crazy about your new book that you sent me—*Secret World Of Boys and Personal Diary & Date Book!* It's full of wonderful tips on how to make boys like you—and I use the diary to write down all of my experiences with boys!

Lana Crothers

Allentown, Pa.

• *Dear Lana,*

Thank you for your sweet note. All 16-ers will find lots of fun and lots of help if they get a copy of *Secret World Of Boys and Personal Diary & Date Book*—and they can get their very own copy by turning to page 43 and following the instructions!

SUSAN & DAVID—ROMANCE?!

Dear Miss Stavers,

I read in another magazine that SUSAN DEY loves DAVID CASSIDY. It says she talks about him all the time. Are they having a romance? Please straighten me out.

Donna Monroe

Savannah, Ga.

• *Dear Donna,*

Taint so! SUSAN likes DAVID as a friend. Period. She's tried to tell everyone that over and over again, but it seems to be kinda hard to get the point across. Maybe this time it'll sink in!

AH, LOVE!

Dear Miss Stavers,

I'm in love again! First, I fell for 16 Magazine, and then for SPEC—and now I've fallen head-over-heels in love with *Loving Fashions!* It's groovy!

Pam Masterson

Phoenix, Ariz.

• *Dear Pam,*

Hey, I hope all of my other readers pick up on LF and get that same feeling! They can—just by turning to page 65 and then grabbing a copy of LF!

DENNIS & KIRBY

Dear Miss Stavers,

Are those two little boys who appear as regulars on NBC-TV's *The Jimmy Stewart Show* twins? I think they are adorable!

Edna Murphy

Santa Cruz, Calif.

• *Dear Edna,*

Here's a recent picture of adorable DENNIS LARSON (left) and KIRBY FURLONG (right) who play Jimmy Stewart's TV sons. Though the boys are almost identical look-alikes, they are not twins. You can write to them at NBC-TV, Hollywood, California. (P.S.: For more on *The Jimmy Stewart Show*, see page 46.)

MARK LAMBERT

Dear Miss Stavers,

Please, please, please run a picture of handsome newcomer MARK LAMBERT. I recently saw him on a *Room 222* episode and he really blew my cork!

Cheri Whelan

Silver Springs, Md.

• *Dear Cheri,*

Hold on to your cork and cool down—cos here's a groovy pic of magnificent MARK. We all agree that he sure is handsome and I hope that we will be seeing lots more of him on TV and in 16—soon!

MALE OR FEMALE?

Dear Miss Stavers,

I'm in a quandary—and maybe you could help me. Could you please tell me if 16 and SPEC magazines are for males or females—or for both?

Brian Rosenberg

Muscatine, Iowa

• *Dear Brian,*

16 and SPEC are for boys, girls, males, females and young and old! In other words, these magazines are printed for everyone—without regard to race, color, creed, sex or age. Get it? Welcome aboard!

MICK GREENWOOD

Dear Miss Stavers,

My girl friend told me about a singer named MICK GREENWOOD. Do you know what label he is on and what the name of his record is?

Carol Taylor

Muskegon, Mich.

• *Dear Carol,*

Yes, indeedy! Newcomer MICK has what it takes to soon become a well-known recording star. His first LP *Living Game* is on Decca. Buy it and play it and you are sure to dig it. Meanwhile, here's a brand-new picture of dreamy Mick.

RAINBOW BOYS

Dear Miss Stavers,

I recently saw a wonderful movie called *Who Says I Can't Ride A Rainbow?* Could you please run a picture of KEVIN RIOU and DAVID MANN, two of the young boys who starred in it?

Beverly Egan

Burlingame, Calif.

• *Dear Beverly,*

Sure thing! Here's a pic of KEVIN and DAVID in a scene from *Transvue's Rainbow*. By the by, 12-year-old David—like our friend DONNY OSMOND—is an electronics wizard. During the filming of *Rainbow*, he found a buzz in the movie sound track that even the experts couldn't locate!
