MONTH'S
SUPER-
DREAM!

WOW-EEE—everything sure is coming up **roses** for super-lucky **Susan Smith of Phoenix City, Alabama!!** Susan—a long-time **JACK WILD** fan—got the surprise of her life when jumpin' **Jack** himself spotted his name in her letter requesting a copy of **Jack's Buddah LP—Jack Wild Everything's Coming Up Roses**. **Jack** was so knocked out by **Susan's** sweet note that he not only sent her an autographed LP—he also consulted with **Dreamsville's** top cat “boss” lion **Dreamy** himself, and they decided to make **Susan** the **Super-Dream** winner this ish! That meant that **Jack** went on a shopping spree just for **Susan** and turned up with—in addition to his long-playing record album—a solid state transis-

tor radio and one of his very own, **very favorite** shirts—a brownish ti-dye-ish print on silk-like fabric.

Since **Jack** decided that **nothing** is too good for **Susan**, he also selected a surprise present that he hopes thrilled her as much as he was thrilled by her letter about him. And—last but not least—**Jack** made sure that **Susan** got a full year's subscription to both of his favorite magazines, **16** and **SPEC!** So you can bet your bubble gum that sweet **Susan** is having a **wild** and way-out, wonderful time sailing around on her super-big, super-pink, super-**Dreamsville** cloud—compliments of **Jack Wild** and **Dreamy!!**
