JEALOUS BOYFRIEND

I have such a jealous boyfriend, that whenever I mention David Cassidy he goes to pieces. He says I like David better than I like him. I explain that David is a part of my dream world and that my boyfriend isn't, and that David lives far away and he doesn't. But no matter what I say, he still gets jealous!

WISHES COME TRUE!

I just wanted to thank you for making my wonderful conversation with Mitch Vogel possible through *Wishing Well!* I still can't get over the fact that he really called me, but I guess it proves that wishes can come true! The best part about it was that he called close to Christmas and my birthday, making it the best present I ever had. Thanks again for everything!

THIS IS A WARNING!

There is a wonderful but fatal disease spreading throughout the world. Doctors are baffled by it; no one can escape it. It's called Osmondophobitis and it's out to get you. All students of Osmondology are already stricken with it! Can you be next?

A NEW APPROACH

I've read a lot of magazines about the Partridge Family, and people often ask why they get all the credit that just David should get from their records. I'm going to answer that question because I bought their records because of Susan Dey. If David's name was on the record label instead of the Partridge Family, I wouldn't have cared that much if I missed it. Other fans buy their records because of the other Partridges, too. So I hope this is a reasonable answer.

SUPER EXCITEMENT

When I watched the Flip Wilson show that the Osmonds were on I became so wild that I slipped off the couch and broke my ankle! (Do you think they'll sign my cast?)

THANKS TO SUSAN

I just flip when Susan Dey writes her groovy books about boys. I hope she keeps writing them because they are great!

BOUNCING BACK

No one can have Donny Osmond because he is going to "Bounce right back to me now, just like a yo-yo, yeah!" I'm 12 years old and just right for darling Donny!
